Dear Mary Beth:

As we discussed in our last conversation, the Committee is in the process of reorganizing and this effort has had a short-term effect on the speed in which information received through the mail is efficiently disseminated.

Enclosed please find an amended Detailed Summary Page for the Committee's Year End 1998 report, covering the period 11/24/98 through 12/31/98. This amendment was generated in response to your letter dated 23 February, 1999.

I apologize for not correcting these discrepancies sooner and for any inconvenience this may have caused.

Sincerely,

Joe Bartlett
